SERGIO ARAGONÉS MARGINALS XL

Before we print Sergio Aragones' "marginal" cartoons, we shrink them down from the larger versions he draws. It may seem mean, but we're not the only ones — his dry cleaner does the same thing to his shirts! Now, in an attempt to make amends to Sergio, we're running some of his cartoons in their original, pre-shrunken size. Relations with his dry cleaner, however, remain tense.
